

BIOGRAPHICAL SKETCH

Clio P. Mavragani, MD, PhD, DIC, FACR

Professor of Physiology/Clinical Physiology & Chair, Department of Physiology
Attending Rheumatologist, Department of Pathophysiology
School of Medicine, National and Kapodistrian University of Athens, Athens, Greece,
M. Asias 75, 11527, Tel: +30-210 746 2714, e-mail: kmauragan@med.uoa.gr

1. Education-Training

- Medical degree MD with Honors (1995), Medical School, University of Athens, Greece
- Diploma of Internal Medicine (2000), Imperial College, University of London, UK, Distinction
- Doctor of Philosophy, PhD with Honors (2001), Medical School, University of Athens, Greece
- Rheumatology Fellowship, Department of Pathophysiology, Medical School, University of Athens, Greece (2000-2004)
- Educational Commission for Foreign Medical Graduates (ECFMG) Permanent Certificate (2004)
- Successful completion of Greek National Rheumatology Boards (2005)
- Post-Doctoral Research Fellowship, Hospital for Special Surgery, Weill Cornell Medical College, New York, NY, USA (2004-2008)
- Diploma of Basic Principles of Clinical Research, Weill Medical College, Cornell University, New York, USA (2005)
- Visiting Scientist, Hospital for Special Surgery, Weill Cornell Medical College, New York, NY, USA (15/6/2013-18/8/2013)
- Visiting Professor, Department of Rheumatology, University of Minnesota, MN (01/07/2017-30/07/2017)

2. Positions-Employment

- Attending Rheumatologist, General Hospital of Athens "G.Gennimatas", Greece (2008- 2010)
- Lecturer, Medical School, National and Kapodistrian University of Athens, Athens, Greece (2010 - 2013)
- Assistant Professor, Department of Physiology, Medical School, National and Kapodistrian University of Athens (2013-2018)
- Associate Professor, Department of Physiology, Medical School, National and Kapodistrian University of Athens (2018-2022)
- Professor, Department of Physiology, Medical School, National and Kapodistrian University of Athens
- Attending Rheumatologist in Department of Pathophysiology and Attiko University Hospital, Athens, Greece (2011- to date)

3. Honors-Awards

- Papadaki Scholarship, National Awards Foundation, University of Athens, 1993-1995
- Distinction for Academic Excellence, Medical School, University of Athens, Greece
- Prize for Academic Excellence, Imperial College, University of London, 2000
- S. Niarchos International Exchange Fellowship Program, Arthritis Foundation, New York Chapter, 2004-2006
- Voudouri-Papapavlou Award, Hellenic Society of Rheumatology, 2009
- Kepetzi award, Hellenic Society of Rheumatology, 2012 and 2014
- EKIPA award for excellent academic teaching, 2015
- National Academy of Athens Award, 2018
- American College Rheumatology award (best abstract), 2021

4. Reviewer/Editorial board member

- Reviewer in several Rheumatology, Internal Medicine and Immunology Journals including Annals of the Rheumatic Diseases, Arthritis Care and Research, ACTA Oncologica, J Rheumatology, Lupus, Medicine, Neuroimmunomodulation, Seminars in Arthritis and Rheumatism, PLOS-1, Saudi Medical Journal, Scandinavian Journal of Rheumatology, Acta Biochimica et Biophysica Sinica, International Journal of Rheumatology, Journal of Dermatological science, Clinical and Developmental Immunology, European Journal of Clinical Investigation, Rheumatology International, Arthritis Research and Therapy, Nature Medicine, Physiological Reviews
- Reviewer for International Research Grants (Dutch Rheumatology Society), Italian Ministry of Health, Fund for Scientific Research-FNRS, Swiss National Academy
- Member of the selection abstract committee of the EULAR annual meeting (European league against rheumatism, 2009-2012, 2024)
- Member of the Editorial Board of the Mediterranean Journal of Rheumatology and Physiological reviews
- Editor: Autoimmune diseases-Pathogenetic aspects, In Tech publications, 2011
- Guest Editor: International Journal of Inflammation-Special Issue: Adult's onset Still's disease and autoinflammation, 2011, Frontiers in Immunology: Comorbidities in Primary Sjögren's Syndrome: Underlying Immunological Mechanisms, 2019/2021
- Guest Associate Editor: Frontiers in Medicine/Rheumatology: Management of Sjogren's syndrome, 2020, Frontiers in Neurology: Demyelinating Neurological Syndromes: The Role of Autoimmunity, 2021
- Member of the Scientific Committee of the 15th International Sjogren's Symposium

5. Invited Speaker in more than 100 National and International Meetings

6. Teaching

- Active involvement in the education of students of the second and sixth year of Medical School, University of Athens, as well as in Fellows in training in Internal Medicine and Rheumatology.
- Participation in postgraduate courses organized in the Medical and Dental School in University of Athens.
- Participation in educational events of the Greek Society of Rheumatology.
- Author in Physiology, Immunology and Rheumatology books for medical students and post-graduate doctors.

7. Doctoral and master theses

- Supervision of several doctoral and master theses
- Member of the advisory committee in several doctoral theses

8. Clinical/Laboratory Work

- Attending physician in Internal Medicine and Rheumatology in Laiko and Attiko General Hospital

- Head of the “Molecular Physiology and Clinical Application Unit”, Department of Physiology (Diagnostic laboratory for myositis and Scleroderma specific autoantibodies)

9. Memberships

- Member of the Greek Society of Physiology
- Member of the Greek Rheumatology Society
- International Fellow of the American College of Rheumatology
- Member of the Imperial College Alumni
- Member of the Hospital for Special Surgery Alumni
- Member of the International Society for Interferon Research
- Member of the steering committee of Essential (European Committee involved in Sjogren’s syndrome research)
- Member of the International Society of Myositis

10. h-index: 46, total citation number: 6734 (Google Scholar)

11. Publications in peer reviewed journals (158 in total)

12. Chapters in books (more than 20)
